

## CALL FOR PAPER

### The 12<sup>th</sup> OISP Science and Technology Symposium for students (The 12<sup>th</sup> OSTs for students)

#### I. Objectives

The 12<sup>th</sup> OISP Science and Technology Symposium for students is an annual science and technology activity for students who are interested in academic, research and technology transfer in order to promote the exchange and learning environment among students, diversify their understanding in terms of multidisciplinary and multi-disciplinary expertise.

#### II. General information

- The Symposium Day: **July 23, 2023**
- Expected location: A4 building.
- Publication: Proceeding with International Standard Book Number (ISBN)

#### III. Faculties

- Faculty of Civil Engineering
- Faculty of Environment and Natural Resources
- Faculty of Mechanical Engineering
- Faculty of Computer Science and Engineering
- Faculty of Transportation Engineering
- Faculty of Electrical – Electronics Engineering
- Faculty of Geology and Petroleum Engineering
- School of Industrial Management
- Faculty of Chemical Engineering
- Faculty of Applied Science
- Faculty of Materials Technology

#### IV. Important dates

- **May 04:** Abstract submission  
(200 – 300 words. Abstract uploading instruction at link: <https://bit.ly/3Za6r55>)
- **May 11:** Abstract announcement
- **June 08:** Full paper submission  
(English, from 4 to 6 A4 pages. Full paper uploading instruction at link: <https://bit.ly/3Za6r55>)
- **June 09 – July 06:** Full paper under review

Time	Duties
June 09 - 22	All Full-papers review
June 22 - 29	Revised Full-paper
June 29 - July 06	Review II

- **July 10:** Full paper announcement
- **July 16:** Presentation files and poster submission
- **July 23:** Symposium Day

- Notes: - Language: English  
 - Template and instruction video (upload abstract, full paper): <https://bit.ly/3F1fIFs>  
 - For more information, please contact via email: [OSTS@oisp.edu.vn](mailto:OSTS@oisp.edu.vn)

## V. Benefits, requirements, and awards

### 1. Benefits

- Proceeding with ISBN
- Presenting with experienced lecturers at OSTS 2023.
- Having chance to receive prizes and certificate of attendance.
- Being supported from the organizing committee in project's acceptance purpose.

### 2. Requirements

- The scientific research must be assessed as "Accepted" or "Minor revisions" by reviewer.
- Students must attend the 12<sup>th</sup> OISP Science and Technology symposium.
- Students must comply with the organizers' regulations.

### 3. Awards

No.	Quantity	Prize	Note
1	1	1.000.000 VND Certificate from OISP	For each council
2	1	700.000 VND Certificate from OISP	
3	2	500.000 VND Certificate from OISP	

## VI. Committee

### 1. Organizing Committee

- Dr. Nguyen Huynh Thong
- Ms. Le Thi Thao
- Ms. Vo Dao Trang Thy
- Ms. Huynh Thi Cam Nhung
- Ms. Nguyen Thi Bich Nhung
- Ms. Tran Nguyen Nam Phuong
- Office for International Study Programs
- Office for International Study Programs
- Office for International Study Programs
- Office for International Study Programs
- R&D and Project Management Office
- The Associated Organ of Student's Association

### 2. Consultant Committee

- Dr. Pham Tan Thi
- Dr. Nguyen Khanh Son
- Dr. Huynh Phu Minh Cuong
- Dr. Dao Hong Hai
- Dr. Truong Minh Chuong
- Dr. Tran Tan Viet
- Dr. Tran Trung Nghia
- A/Prof. Dr. Luong Van Hai
- A/Prof. Dr. Nguyen Nhat Huy
- A/Prof. Dr. Tran Anh Son
- A/Prof. Dr. Tran Ngoc Thinh
- A/Prof. Dr. Le Dinh Tuan
- R&D and Project Management Office
- Faculty of Materials Technology
- Faculty of Electrical – Electronics Engineering
- Faculty of Geology and Petroleum Engineering
- School of Industrial Management
- Faculty of Chemical Engineering
- Faculty of Applied Science
- Faculty of Civil Engineering
- Faculty of Environment and Natural Resources
- Faculty of Mechanical Engineering
- Faculty of Computer Science and Engineering
- Faculty of Transportation Engineering
